# Notice on Imposition of Port Congestion Surcharge

To Valued Clients & Partners,

This is to formally notify you that, due to the recent severe port congestion at Aden Container Terminal, We， Chenxin Comprehensive Shipping Limited has decided to impose a Port Congestion Surcharge (PCS) on relevant shipments with immediate effect. The specific details are as follows:

Applicable Vessel: MV HONG DA XIN 68 (Voyage No. 2501W)

Applicable Cargo: All laden inbound containers destined for Yemen

Surcharge Rate: USD 250 per TEU

Effective Date: Immediate

This surcharge will remain in effect until further official notification is issued by our company. We reserve the right to adjust the surcharge amount or terminate this measure based on the actual congestion improvement at Aden Container Terminal.

We kindly request your understanding and full cooperation.

Thank you for your long-term trust and support to Chenxin Comprehensive Shipping Limited. We will continue to monitor the port operation situation closely and keep you updated on any relevant changes in a timely manner.
